

Police Support Volunteer

Could you?

Empowering you
to take action in
your community.

Community SpeedWatch Volunteers WANTED

- Could you spare some time to volunteer with police?
- Do you want to give something back and work within the community?
- Do you want to work towards creating a safer environment in your community?

We are looking for keen and committed members of the community to help us set up a Community Speed Watch programme in the Fratton and Southsea areas.

Speeding is one of the factors that most affects the quality of life in communities around Hampshire and the Isle of Wight. It can contribute to road traffic collisions and impacts on the day to day lives of people in the community.

You often tell us that speeding is one of the biggest community concerns in your area and as such we want to work with you to set up a Community SpeedWatch Programme.

If you are interested in volunteering with your local policing team to set up a SpeedWatch programme then please get in touch by emailing or calling as shown below.
